

Casco Days ROAD RACE

32nd Annual
Saturday, July 31, 2010
9:30 a.m.

Come run our 4.0 mile foot race and then enjoy the fun and festivities of Casco Days! This race is sponsored by the Casco Fire Association. Registration will be taken the day of the race between 7:30 a.m. and 8:30 a.m. at the Casco Public Library on Route 121 in Casco Village. All contestants are required to check in at registration prior to the start of the race, even if they are pre-registered. The first 250 pre-registrants will receive a Casco Days Road Race tee shirt. Please note you must register before July 26th in order to ensure receiving a tee shirt.

The Casco Days Road Race will be timed by Granite State Race Services with the Champion Chip timing system. A starting signal will begin your time and it will immediately end as you cross the finish line. You will receive a Champion Chip timing device in your pre-registration packet or when you register the morning of the race. The chip is matched with your participant information. The device must be attached to your shoe, and you are responsible for returning it to a volunteer at the Finish Line.

Awards are given to the top two female and male race winners, and to all category winners and runners up. Check out our website at www.cascodays.com for race results and more information.

This race course was officially certified by USA Track & Field on June 23, 2006. Our certification code is: ME06001RF.
